45116 Valley Central Way  
Lancaster, CA 93536

# KaBoom's 2008 Reading Challenge

## What Your School Needs to Do

We are trying to make KaBoom's Reading Challenge as easy as possible for you to execute. To get started, we will follow these eight steps:

- 1. Pick a date.** We first must choose which JetHawks game you would like to make your school's special date. The brochure that is enclosed includes the 2008 schedule.
- 2. Set a date for an assembly.** This should take place the same time the reading logs have begun. A JetHawks representative and KaBoom will come to your school to talk about the reading program and also introduce the fundraising portion to students and faculty.
- 3. Explain and distribute reading logs to students.** Five weeks prior to the day of your game, reading logs will be sent out, and the Reading Challenge begins.
- 4. Pass out fundraiser information.** This will happen the day of the assembly.
- 5. Collect reading logs.** After the three week challenge concludes, collect the reading logs and determine which students have met the goal. This list of names is returned to the JetHawks.
- 6. Collect fundraiser tickets that were sold.** All orders must be received by the JetHawks two weeks before your school's day.
- 7. Distribute tickets.** One week before the game, KaBoom will make a special appearance at the school and help to distribute the tickets that students, earned and sold as part of the program.
- 8. Enjoy the game.** Come out to the stadium and enjoy a great event on the date of your school's reading night.
